

Kerala

Subsidy of Rs 5 lakhs to movies shot in the *Chitranjali* package scheme under Kerala State Film Development Corporation (KSFDC), Government of Kerala.

Kerala State Film Development Corporation has a strong exhibition network of 14 world class theatres – the largest single owner of theatres in India.

Kerala State Film Development Corporation has been selected as the nodal agency for extending the facility of single window system for film shooting in Kerala. In the process any agency could approach KSFDC for the same.

It also has the Chitranjali Studio under Kerala State Film Development Corporation under Government of Kerala with 70 acres of land located primely near Kovalam Beach and other tourist locations. The studio has state of the art pre-production, production and post-production facilities with shooting locations, out-door shooting units etc. Information about line producers, availability of local artists, post production facilities, equipment and logistics supply, availability of trained film technicians etc can be availed from this facility.
